THE SOUTH'S MAJOR SHOWCASE OF MODELLING... NOT TO BE MISSED!

The London Model Engineering and Modelling Exhibition will return to the iconic venue of Alexandra Palace for the 2017 event, its 21st Anniversary. This exhibition is the showcase exhibition for the South & attracts over 14,000 visitors annually.

Presented by
Meridienne Exhibitions 

Come along and enjoy the full spectrum of modelling from traditional model engineering, steam locomotives & traction engines through to the more modern gadgets and boys toys including radio controlled trucks, boats, aeroplanes and helicopters.

The exhibition boasts over 50 national and regional clubs and societies showcasing nearly 2,000 examples of their members' work, plus over 55 trade stands and specialist suppliers launching new products, show offers & advice.

SAVE MONEY & BOOK YOUR TICKETS ONLINE

Group discounts are available for groups of 10 or more tickets – enter code GRP10 on website to save 10% off your order.

ALL THE LEADING SPECIALIST SUPPLIERS

See over 55 of the UK's leading specialist suppliers all in one place and talk to them direct and in person. This gives visitors the chance to see all the product ranges and latest products under one roof and is one of the largest selections of suppliers seen at any modelling show in the UK.

With so much to see and do under one roof, The London Model Engineering Exhibition is a great day out for everyone.

MODEL ACTIVE ZONE

Visitors can enjoy the different zones, trying the activities and watching live demonstrations. See a huge Tamiya Truck arena in action and watch exciting aerial displays from the BMFA. The Imagineering Foundation will also have lots of hands on activities along with the Brickish Association for fans of LEGO young and old.

CLUBS AND SOCIETIES

Over 50 national and regional modelling clubs and societies will be present, showcasing nearly 2,000 examples of their members' work. Many clubs will be presenting demonstrations of their skills and also have activities where you can learn new skills under expert guidance. The prestigious "Society Shield" will also be awarded.
