

**LONDON MODEL
ENGINEERING EXHIBITION**

**FRIDAY 19th to
SUNDAY 21st
JANUARY 2018**

THE SOUTH'S MAJOR SHOWCASE OF MODELLING

**Great Hall
Alexandra Palace
London**

**WELCOME TO THE LONDON MODEL
ENGINEERING EXHIBITION**

Welcome to one of the largest exhibitions of its kind with over 45 clubs and societies present displaying nearly 2,000 different exhibits covering a wide range of modelling interests. In addition to all the displays there will be lots of activity taking place in the Model Active Zone with the extensive Tamiya RC trucks display, aircraft and helicopters in the flying zone and other working models.

If you are a modeller yourself you will find over 55 leading specialist suppliers present offering all the items needed for your hobby and you'll be able to purchase virtually anything you need.

This unique display is a result of a tremendous amount of effort from the many hundreds of modellers. Without their very hard work there would be no exhibition and our thanks go to individuals, clubs and societies whose unstinting efforts and generous support make this exhibition possible.

We hope that you enjoy your visit to the exhibition and that you will find something amongst the wide range of models on display to admire. If you're not already a modeller hopefully your visit to this exhibition will fire your imagination to build something yourself and to enjoy one of these satisfying hobbies.

Chris Deith, Exhibition Director

**SHOW
GUIDE**

**10am-5pm Friday & Saturday,
10am-4.30pm Sunday**
Last entry Friday & Saturday 4.00pm
Sunday 3.00pm.
The Model Active Zone will close at
3.30pm on Sunday.
